

MEMORANDUM

TO: Deans, Directors, and Department Heads

FROM: Warwick A. Arden
Executive Vice Chancellor and Provost
Chair, University Space Committee (USC)

SUBJECT: Revised University Space Principles
(USC Information Item 19.01)

DATE: June 17, 2019

In accordance with the university's strategic goals, the University Space Committee has reviewed and revised the Space Principles to align with the university's commitment to promote the most effective and efficient allocation and use of campus space resources.

Please see the attached revised Space Principles dated 2019-06-03. The principles are also available at the Office of the Provost webpage: <https://committees.provost.ncsu.edu/univ-space/space-principles/>

Please share this information with your college's or division's Local Space Committee and with your college facility coordinators and building liaisons. If you have any questions, please contact Sumayya Jones-Humienny in the Office of the University Architect.

Thank you.
